Cette chanson que l'on ne présente plus composée à l'origine par Antoine Renard en 1868 sur des paroles de Jean Baptiste Clément, a été interprétée par une pléiade d'artistes en tout genre et a été aussi jouée pour de nombreux films et événements.

La très belle mélodie d'Antoine Renard devra toujours être mise en avant et l'accompagnement un peu en retrait lorsque vous jouerez cette chanson surtout quand le thème est donné par la voix II.
